~~for~~ Martin's ^{mom} living in Nellie Oakley's house now
have rented the downstairs.

You are awfully slow. Floyd Robbins
is going to be married. It is to some Pierre
girl. Mom says you and Jason will have
to hurry up.

Friday morning.

I am short of news last night so will
finish it this morning.

Yesterday morning Mrs Schendle fell
and hurt her back. She is lame this morning,
as Mr Schendle said this morning.

We had a snow storm Wednesday night
but it all melted yesterday. It froze last
night and I don't know whether it is slippery
this morning or not.

Don't forget to sign the card and send
it back to Pop. If you don't get it let
us know.

Signing off at 7:45 - station S-C/HOOL
will be the next station to broadcast.
Now to G.I. air.

Loveingly Helen
